REMARKS

17. PERSONAL DETAILS AND NOTES

Nina is a black book assasin for the CIA. She was born in Russia but came to america when she was 5 years old. Her parents were recruited by the CIA in 1979. They made trips back and forth from the U.S. to Russia.

Her parents were attempting to play as double agents. They got sloppy after Nina was born because they wanted out. They were both killed by the KGB in 1989.

Nina was only 5 years old when they died. She was taken in by Sylvia Dunn who was CIA. Sylvia trained her starting early and once she was of age she entered CIA special operations training.

She has dual citizenship in America and Russia but she is a ghost, there zero information about her online or in any agency records. The only people who know her real story are CIA, and they are not talking.
